

Anne Raymond's Epoch Installation Completed

Abstract artist Anne Raymond's ninety nine oils on canvas and works on paper, selected from 2005-2015, have been installed in the offices of Epoch Investment Partners, Inc. located on Park Avenue in Midtown Manhattan.

William W. Priest, the CEO of Epoch, led the search for art when Epoch was located at Rockefeller Center and added to the collection when the office moved to Park Ave. The focus was to create a strong visual continuity throughout two floors overlooking Manhattan. All of Ms. Raymond's intuitive and beautiful works are originals including numerous series of monotypes and large oils on canvas.

Epoch Investment Partners, Inc. is headquartered in New York City with clients worldwide, having \$43.6 billion assets under management (as of March 2015).
